

YEARLY STATUS REPORT - 2022-2023

Part A

Data of the Institution

1. Name of the Institution

NATIONAL COLLEGE FOR TEACHER
EDUCATION

- Name of the Head of the institution **Dr . N . SETHUMADHAVAN**
- Designation **PRINCIPAL**
- Does the institution function from its own campus? **Yes**
- Alternate phone No. **04842522583**
- Mobile No: **9447295266**
- Registered e-mail ID (Principal) **sethuneetiyath@gmail.com**
- Alternate Email ID **nationalcollege09@gmail.com**
- Address **Iqbal Square ,Mepmathupady,
Vengola**
- City/Town **PERUMBAVOOR, ERANAKULAM**
- State/UT **KERALA**
- Pin Code **683556**

2. Institutional status

- Teacher Education/ Special Education/Physical Education: **Teacher Education**
- Type of Institution **Co-education**

- Location **Rural**
- Financial Status **Self-financing**
- Name of the Affiliating University **MAHATHMA GANDHI UNIVERSITY**
- Name of the IQAC Co-ordinator/Director **SREEJA V**
- Phone No. **7034510382**
- Alternate phone No.(IQAC) **9400980382**
- Mobile (IQAC) **+91484 2522583**
- IQAC e-mail address **aimnetcollege@gmail.com**
- Alternate e-mail address (IQAC) **nationalcollege09@gmail.com**

3.Website address

- Web-link of the AQAR: (Previous Academic Year) <http://nationalcollege.edu.in>
<https://www.nationalcollege.edu.in/downloads/aqar%202021-22.pdf>

4.Whether Academic Calendar prepared during the year?**Yes**

- if yes, whether it is uploaded in the Institutional website Web link: <http://www.nationalcollege.edu.in/downloads/Diary-2022-23.pdf>

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B	2.77	2015	14/09/2015	13/09/2020

6.Date of Establishment of IQAC**21/06/2012****7.Provide the list of funds by Central/ State Government-UGC/ICSSR/ IUCTE/CSIR/DST/DBT/CPE of UGC/PMMMNTT etc.**

00	Nil	Nil	Nil	Nil

8.Whether composition of IQAC as per latest **Yes**

NAAC guidelines

- Upload latest notification of formation of IQAC [View File](#)

9.No. of IQAC meetings held during the year 05

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**

- (Please upload, minutes of meetings and action taken report) [View File](#)

10.Whether IQAC received funding from any of the funding agency to support its activities during the year? **No**

- If yes, mention the amount

11.Significant contributions made by IQAC during the current year (maximum five bullets)

The IQAC wing of the college had the following contributions during the academic year 2022-23. 1. Eco-friendly activities like Environment Day celebration, Study tour programs to Koorg and Wayanad, MOOC organic farming, Field trip organized by the Natural Science options to Vattavada, Community Camp Visit to Panelipporu, Study tour to Bhoothathankettu, Iringolkavu, etc. 2. The initiatives of the Ministry of Minority Welfare activities like coaching for P.S.C examinations and Pre Marital Counselling. 3. ICT enhancement in learning including one day State level hands-on workshop for technology-enabled tools and students blended learning school internships. 4. Awareness of the wellness of the Heart. 5. Inviting professional teachers for the celebration of a number of events and involvement of Cini artists and script writers for enabling the artistic talents of students.

12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year (web link may be provided).

Plan of Action	Achievements/Outcomes
Environment Day Celebration on June 5,2022	Students were made awareness regarding keeping the sustainable environment by talks and planting trees.
Yoga Day Celebration on 21 June 2022	Students participated in various Yogic asanas and felt the need for keeping Yoga as a part of daily routine.
Guru Poornima On 13 July 2022	Students presented papers on the importance of the day.
Ramayana Week from 18/7/2022-22/7/2022	Students were made aware of the rich Kerala culture of celebrating Ramayana Week and how to read Ramayana.
Kargil Victory Diwas on 26/07/2022	The day created patriotism through talks.
Independence Day on August 15,2022	As a part of Azadi Ka Amruth Mahotsav students celebrated the day by conducting Quiz programme.
Aaravah-College Day on August 16,2022	The College Magazine, the creative product was released on the day.
Research Paper presentations on August 23,2022	The M.Ed. coordinator and PG students presented research papers.
SIGNUM-Science Exhibition by the school on September 26,2022	The students of National School showed their superior talents and creativity in the science exhibition.
Induction programme for B.Ed. from 15/09/2022-19/09/2022	Various professionals took motivational classes for the new B.Ed. Batch 2022-24.
Laharikkethire-Akattam Akalam- October 10,2022	A rally conducted by the students of National School and College created awareness against drugs and the flash mob

	conducted by UG students were realistic.
Kerala Piravi and Talents Day, on November 1,2022	New batch of UG students showed their talents on the day.
Dl.Ed.official Inauguration on November 2,2022	The new batch of Dl.Ed students came to the college.
B.Ed. Graduation Ceremony	The pass out students of 2020-22 UG batch were given graduation certificates and toppers were given mementos and cash prizes.
Sports Day, on November 12,2022	Students actively participated in the house wise activities of Sports Day
Science Day on November 14,2022	International Science Day was celebrated and students were given poster competition and quiz competition and winners were given prizes.
M.Ed. inauguration and orientation on November 23,2022	New PG students were welcomed and given motivational classes.
International Day for Violence against Women on November 28.2022	Students were felt need of banning violence against women.
Communicative English Class, on 29th November 2022	As part of B.Ed. curriculum communicative english class was given and students were made awareness regarding the use of English language for communication.
Christmas Day Celebration on December 23,2022	All members of the college celebrated Christmas by handing over the gifts with dance and music.
EUNOIA -English club inauguration on December 22,2022	Students performed different roles of Shakespearian drama
Orientation for placement abroad held on January 6,2023	Students were made aware of how to pass through the entry procedures of abroad placements.

National Youth Day on January 13,2023	The online session was informative about Swamy Vivekananda
Republic Day on January 26,2022	The day was celebrated with patriotism and enthisiiasm.
KTET,SET and NET winners	Evening sessions were arranged from 3.30 pm to 4 pm for KTET coaching and a number of students passed KTET and SET examination.
MOOC Inauguration on February 2023	The organic farming programme was inaugurated on the day and massive farming started at the college.
Human Rights Day on January 19,2023	Awareness on different human rights were dealt on the day.
Convocation for the PG batch, March 2,2023	The PG students of 2020-22 were issued graduation certificates.
International Womens Day on March 8,2023	Pink Day was celebrated with talks and Self Defense Practices.
Hand on training for Technology enabled tools	Students were exposed to different technology enabled tools using mobile technology.

14.Whether institutional data submitted to AISHE

Year	Date of Submission
2023	05/04/2024

15. Multidisciplinary / interdisciplinary

The institution offers multidisciplinary programmes. D1. Ed programme -The duration is for 2 years. Students who have completed senior secondary education can join the programme. The programme provides intensive and comprehensive training for equipping teachers of elementary levels of schooling.

B.Ed. Programme-The duration is for two years. The University puts certain norms for joining the course through CAP procedure and the institution offers the UG programmes for 6 optional subjects.

M.Ed. programme-The duration is for two years. Students can join the PG programme through the CAP procedure. The institution adopts teaching-learning that fosters multidisciplinary and interdisciplinary activities through seminars, group discussions, community-related activities, extension activities, artistic performances, short film creations and film reviews, tours, camps, field trip, club activities etc.

16. Academic bank of credits (ABC):

As per the NPE 2020, ABC (Academic Bank of Credit) has been envisaged for Higher Education institutions for academic mobility with appropriate credit transfer for attaining a degree. The ABC is maintained in the following ways. For keeping the integrity of credits-the UG and PG courses offered by the institution are CBSS (Credit Based Semester System). For each semester and each core paper credits are allocated. The institution follows university norms for providing credits. Maintaining authenticity and confidentiality of student credits-The recorded works of all activities are given credits and the credits are uploaded to the university and the credits are kept confidential by the faculties. Easy credit transfer through online mode-The University website is opened at the end of each semester and the attained credits for practical works and practicum works are entered by the faculty with signature from the Principal. Faster credit recognition-the credits earned for internal examination are published for grievances, and are modified before uploading if needed. All the credits are given according to the University norms and standards.

17. Skill development:

National College for Teacher Education is a professional skill development centre for different levels of teaching starting from

primary to senior secondary and higher education. Here students develop the following skills: Critical thinking developed through considering the pros and cons of all situations before taking any decisions. Patience is developed through identifying impulsive behavior monitoring them consciously. Communication skills are developed through mindful posters and mannerisms. Organisational skills are developed through the planning and implementation of all learning activities. Creative thinking skills are fostered through group discussions, brainstorming sessions, and group activities. Leadership skills are developed through organorganizing erent curricular and cocurco-curricularvities of the college. Capacity for teamwork-teaching profession demands teamwork in all teaching/learning activities. Time management skills are strictly followed in the institution. ICT skills-the mobile free campus with free wifi facility and training in different technology-enabled tools enhances the skill. Conflict resolution skills-the grievance redressal mechanism and effective STR(Student Teacher Ratio) provides ample opportunities for developing conflict resolution skills.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

IKS (Indian Knowledge System) is for promoting the interdisciplinary culture of India through curriculum transactions at higher education classes. The following are the activities under IKS: The IKS-based research activities are held for the PG courses and invited guests from nearby institutions take classes for research initiatives. The faculties of the college have different watts app groups for optional subjects and PG groups. Apart from this they are members of professional groups and exchange ideas and tools for collecting data for research activities. Creation and promotion of popularisation of IKS schemes through community-related activities. Faculties develop policies for the institution through IQAC meetings for promoting the Indian language that is Mlayalam as the medium for examination for the needy,multicultaural involvement in arts fest and tour programmes and using MOOC online courses for organic farming and biocomposting.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

All the programs offered by the institution follow the OBE pattern stipulated by the University. The PLOs and CLOs are clearly described at the beginning of each semester and all teaching learning activities are focussed on attaining OBE. The OBE follows the following pattern: Design down-Faculties as

mentors help in designing the desired management techniques and PLOs of learning. Students identify their SWOT through the process. Students' needs are considered while framing and implementing all activities. Students achieve high standards nearly 75 to 80% of the students attain A and A + in the semester scores. Assessments of CLOs and PLOs and student satisfaction surveys through google forms are part of the curriculum. Teachers immediately take student reflections in all activities. The satisfaction from PTA, GTA and alumni of the college reflects the ethos of following OBE.

20.Distance education/online education:

The institution provides online education for Organic Farming under MOOC(Massive Open Online Course) conducted by Mahatma Gandhi University. In the MOOC portal, two faculties and all students of UG courses must register and pay the fee for attending the course. There are two project submissions. First one for organic farming and the second for composting. During the third semester, the UG students undertake organic farming activities and composting and submit the report at the end of the third semester. They need to undergo modular instruction given on the website. After completion of the modular instruction, the programme is evaluated internally by the faculties(project evaluation) and externally through an online examination. The pass out will receive a MOOC certificate.

1.3 - Curriculum Enrichment

1.3.1 - Curriculum of the institutions provides opportunities for the students to acquire and demonstrate knowledge, skills, values and attitudes related to various learning areas Describe the curricular thrusts to achieve the following in not more than 100 - 200 words each A fundamental or coherent understanding of the field of teacher education Procedural knowledge that creates teachers for different levels of school education skills that are specific to one's chosen specialization Capability to extrapolate from what one has learnt and apply acquired competencies Skills/Competencies such as: Emotional Intelligence, Critical Thinking, Negotiation and Communication Skills, Collaboration with others, etc.

National College for Teacher Education is a self-financing institution under Mahatma Gandhi University and the institution follows the curriculum of the University for UG and PG courses. The core courses and elective courses provide learning outcomes that provide opportunities for the students to acquire and demonstrate knowledge, skills, values, and attitudes related to various learning areas. At the beginning of the semester, students are described about the CLOs and PLOs. The institution provided five-day induction programs for beginners as motivation classes. Instruction of all modules of the core course is dealt with by the mentor of the course. Teachers select suitable strategies for and create a conducive learning environment in the classrooms. Students have different learning options, and they extrapolate what had learned and apply acquired competencies in real-life situations (school classrooms). The institution provides soft skill training for students. Students develop competencies in areas such as emotional intelligence (identification of one's own capacities, managing all types of stressful situations, cooperating, feeling empathy for others, etc.), critical thinking related to curricular and cocurricular aspects, negotiation and communication skills while engaging in social activities and collaboration with different types of people in the society.

1.3.2 - Institution familiarizes students with the diversities in school system in Indian as well as international and comparative perspective. Describe in not more than 100-200 words how students are familiarized with the diversity in school system in India with respect to: Development of school system Functioning of various Boards of School Education Functional differences among them Assessment systems Norms and standards State-wise variations International and comparative perspective

The institution familiarises students with the diversities in the school system in Indian and International and comparative perspectives. The PG curriculum has diverse core courses like Teacher Education, Elementary Education, and Secondary Education. During these core courses, students discuss and compare the global

perspectives of the schooling system.

The institution provides UG, PG, and Dl. Ed courses. In all the courses students compare the various Boards of School Education such as Kerala State Syllabus, CBSE, ICSE, IGCSE, and IB. There are a number of institutions in Eranakulam districts that cater to education under these boards. UG students have the option to select Kerala State Syllabus/CBSE for undergoing school induction. The PG student can select any board for their Thesis works and internship.

The UG students in the second semester learn in-depth about the assessment practices of the school system and they compare the results of any three board examination results of Grade X as part of their practicum. They learn about the contemporary CCE practices and the semsterisation of schooling. They learn and compare the norms and standards of schooling practices.

Apart from the above the students are enrolled in all the courses through CAP procedure. Students from all northern districts join the institution. They compare the state-wise variations, international and comparative perspectives of assessment.

1.3.3 - Students derive professionally relevant understandings and consolidate these into their professional acumen from the wide range of curricular experiences provided during Teacher Education Programme Describe the efforts made by the institution to enable students to develop understanding of the interconnectedness of the various learning engagements and to make them ready for the professional field in not more than 100-200 words

The institution believes that teacher education is one of the key factors of nation-building. The institution trains teachers for well-equipping in all fields of life and to cater to quality education. The institution provides a rewarding experience for all students. In the fourth semester, the UG students learn about how to function as professional teachers in their optional field. There are five modules in which teaching as a profession,

professional ethics, teaching competencies, soft skill training, professional development reflective practices, organization of various co-curricular aspects, and the latest trends in educational research practices are dealt with. During the entire course, students explore different types of e-library and library sources for references. They use the ICT facilities of the institution for technological growth. The school internship acquaints students with the realities of the teaching profession. The interview with eminent teacher educators, and celebration of a number of events by inviting eminent teachers from different fields as chief guests. The Minority Welfare Ministry also conducts PSc coaching for minorities. The institution offers KTET training for UG and PG students. The PG students have interactions with eminent educational researchers, and are provided with competencies through visits to Department libraries, invited talks, internship programs.

2.2 - Honoring Student Diversity

2.2.1 - Assessment process is in place at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students Describe the assessment process at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students, in not more than 100-200 words.

The entry behavior tests are given by optional teachers to identify the different learning needs of students and their readiness to undergo professional education programs.

As part of induction, teachers provide motivational classes and support reflective learning platforms for sharing experiences.

Objective-type tests including items 10 to 20 related to graduation subject areas are provided by subject teachers.

After taking the first class teachers give the entry behavior test for 10 to 30 minutes duration for the next day.

The students who can not follow the instructions are given remedial instructions, self-instructions, and self-study options.

After teaching each module teachers conduct tests to assess the performance of students.

Usually, ICT-enabled assignments, google classroom platform, google meet, etc are provided during the first week of instruction.

The freshers of the institution are at the average IQ level and only a few need supported instruction.

2.3 - Teaching- Learning Process

2.3.1 - Multiple mode approach to teaching-learning is adopted by teachers which includes experiential learning, participative learning, problem solving methodologies, brain storming, focused group discussion, online mode, etc. for enhancing student learning Describe the varied modes of learning adopted and their basic rationale for adopting such learning mode/s for different courses of each programme in not more than 100-200 words.

The University syllabus provides different learning strategies for each core course and pedagogic course.

The teachers of the institution adopt multiple approaches to teaching-learning. The following are the approaches:

Experiential learning-community living camp, field trip, SUPW, Health and Physical Education, Art and drama classes, and laboratory activities.

Participative learning-Group discussion is encouraged in all classes.

Problem-solving methodologies-Carrying out projects, practicums, and practicals students follow this approach.

Brain storming-Motivational classes, Counselling classes are dealt with in this way.

Focused group discussion-The PG students prepare their research proposal after approval from a Focus group discussion.

Online mode teaching is done in a blended way. The majority of classes are through offline mode, but teachers take online mode for smooth coverage of the syllabus.

Apart from the above approaches assignment method, lecture demonstration method, and seminars are routine.

2.3.5 - Continual mentoring is provided by teachers for developing professional attributes in students Describe in not more than 100-200 words the nature of mentoring efforts in the institution with respect to working in teams dealing with student diversity conduct of self with colleagues and authorities balancing home and work stress keeping oneself abreast with recent developments in education and life

Teachers of the institution are real mentors for all student activities.

Each teacher is in charge of at least two or three clubs and three events of the college. Students are divided into four houses and working teams are selected from students for the smooth conduct of all programs. All the events of the college are student-initiated. Student diversity exists only related to their locality and vernacular language. But all linguistic problems are dealt with with group merging and activities.

There are self-assessment and peer assessment practices. Moreover, there is a code of conduct in the institution. So students keep good conduct of self with colleagues and authorities.

Mentors give modular works monthly during each semester and assess the progress regularly. So students are not burdened related to academic or nonacademic aspects. The married students, who feel stressed are alleviated by giving them extra days for submitting the work.

The teachers of the institution always use m-learning platforms and undergo frequent FDP programs inside the institution and also from professional groups. So they keep students also abreast with the recent developments in education and life.

2.3.7 - Teaching learning process nurtures creativity, innovativeness, intellectual and thinking skills, empathy, life skills etc. among students	
<p>National College for Teacher Education is a minority institution under Allama Iqbal Trust. Students of UG, PG, and diploma courses enjoy the teaching-learning process as it nurtures creativity, innovativeness, intellectual and thinking skills, empathy, and life skills among students.</p> <ul style="list-style-type: none"> Creativity-Students develop PowerPoint presentations, blog creations, portfolios, artistic involvement, Supw product, club activities, lesson planning, etc showing the creative talents of students. Innovativeness-Students are preparing all sorts of brochures for all events of the college. Apart from this the practicum and practical works shows the innovative talents of 	

students.

- Intellectual and thinking skills-All types of teaching-learning foster intellectual and thinking skills through different approaches adopted for cooperative and collaborative learning.
- Empathy-Since learning happens in a collaborative atmosphere, students feel empathy towards others.
- Life skills-life skill training is given throughout the curriculum and through special motivational classes. Effective communication, time management, interpersonal skills, self self-assertiveness, empathy, emotional intelligence etc , are developed throughout teaching-learning activities.

2.4.8 - Internship programme is systematically planned with necessary preparedness Describe institution's preparatory efforts at organizing internship programme in not more than 100-200 words with respect to the following: Selection/identification of schools for internship: participative/on request Orientation to school principal/teachers Orientation to students going for internship Defining role of teachers of the institution Streamlining mode/s of assessment of student performance Exposure to variety of school set ups

The internship programme for B.Ed.2021-23 batch was held from November 2022 to February 2023. There is a committee for an internship with Mr.Jayakrishnan P V as the supervisor. The students can select schools within 25 km of the college. Students seek permission from their respective schools. After getting permission a list is prepared with the number of schools and students in the respective schools. The consent letter to the Principals/Head Masters duly signed by the Principal is handed over to the students seeking an internship in a particular school. They give the consent letter at the beginning of the internship. Also, the attendance register and teacher evaluation sheets are provided to the supervising teachers of the school. Faculties visit two to three times the classes of their students and monitor their progress. Faculties give suggestions for improvement. Students complete third-semester practical and practicum works at the school itself.

2.4.11 - Institution adopts effective monitoring mechanisms during internship programme. Describe in not more than 100-200 words, the monitoring mechanisms adopted to ensure optimal impact of internship in schools with specific reference to the role of teacher educators, school principal, school teachers and peers.

The institution adopts effective mentoring mechanisms during internship programs. Following are the functions of various personae.

Teacher educators-Students after receiving the topics for taking classes consult teacher educators for preparing lesson plans. The first five lesson plans including the teaching aids are signed by teacher educators before entering the internship. Subsequently

each week students prepare 5 to 10 lesson plans in advance and get the sign from teacher educators. The process continues till they complete 50 lesson plans. Teacher educators assess each internee by observing the classes with an observation schedule.

School principal-check the daily attendance of the internee throughout the internship. All types of discipline related to school and seating arrangements for internees are arranged by the Principal. Also principal consults with the college principal regarding the progress of teaching.

School teachers observe almost all classes of the internee and give support for the entire teaching-learning process. Teaching aids are checked thoroughly by the school teachers. The progress of the students is discussed with the teacher educators through mobile contacts.

Peers-Peer assessment is a part of practical work. Apart from this peers provide all support in internship.

2.6 - Evaluation Process

2.6.1 - Continuous Internal Evaluation (CIE) of student learning is in place in the institution
Describe details of the Continuous Internal Evaluation in the institution highlighting its major components in not more than 100-200 words

The institution strictly follows the CIE pattern according to the University syllabus. For each semester the scores for each practicum and practical works for the core paper, optional paper, Health and physical education, art and drama, SUPW, etc are discussed at the beginning of the semester. The UG and PG students are given sufficient time for the submission of their internal works. The internal marks are uploaded to the university site. For the practicum, the internal marks are published to the students before uploading. The marks for practical works are given according to the submission guidelines. Apart from this after completion of each module teachers conduct internal examinations to check the progress of students learning. Diagnosis and remedial instructions are given after checking the scores. The grievances related to CIE are dealt with by the Principal and faculties. Strict supervision is carried out in thesis submissions. Credits are given according to university norms.

2.6.3 - Mechanism for grievance redressal related to examination is operationally effective

National College for Teacher Education stands for creating spiritually awakened and morally upright characters. The grievance redressal mechanism of the college deals with 360 degree aspects of grievance. Of which the one concerned with examination is very relevant. Following are the measures taken for addressing the grievances related to examination.

- Separate committees are formed for conducting examination at the PG level and UG level.
- PG level examinations are held under the supervision of Dr. Rajeswari K V
- UG level examinations are held under the supervision of Dr. Jayakrishnan P V.
- The internal marks of all semesters are published before the University examination and grievances are cleared.
- Model examinations are conducted for objective entry of internal marks.
- University examinations are conducted under CCTV surveillance.
- The internal test scores are entered after scrutiny.
- The institution follows strict guidelines of University for entering internal marks.
- The commissions are conducted in a cooperative manner.
- The PG level courses have moc viva and are carried out by 3 to 4 experts in the field of education.

2.6.4 - The institution adheres to academic calendar for the conduct of Internal Evaluation Describe the mechanism of adhering to academic calendar for the conduct of Internal Evaluation in the institution in not more than 100-200 words.

The academic calendar is prepared in the month of May 2022 for the entire academic year. The number of teaching days, valuation days, and cocurricular activities are prepared in advance with a flexibility of 5 to 10 days based on the University notification for examination. In each semester the UG-level student's internal evaluation is done in the following manner.

- For each core paper there is a practicum. The score for practicum is 50%.
- For each core paper there is an internal test. The teacher can take the best score from an internal test or comprehensive model examination. The score for the internal test is 50%.
- The addition of scores of practicum and internal tests are entered for internal evaluation.
- An attendance percentage of 80% is mandatory for appearing in the University examination and course completion. Any student who fails in the targeted percentage need to submit condonation charges on medical grounds.

The internal evaluation at the PG level is carried out in the following manner.

- For each core paper there are 2 practicums, each scoring for 2.5 marks and a total of 5.
- There is an assignment/seminar for each paper for 5 marks.
- Internal test is for 10 marks.
- The student gets a total of $5+5+10=20$ for each core paper.

2.7 - Student Performance and Learning Outcomes

2.7.1 - The teaching learning process of the institution is aligned with the stated PLOs and CLOs. Describe the way in which institution ensures alignment of stated PLOs and CLOs with the teaching learning process in not more than 100 - 200 words.

National College for Teacher Education is working under the charitable trust AIMNET. The institution has its own PLOs and CLOs. Both PLOs and CLOs are aligned with the objectives of the affiliating university. Following are the measures taken by the institution.

- Students are strictly participating in morning assembly where all religious prayers are followed and secularism is fostered.
- The institution has a charitable wing AADYA for doing community services like blood donation camps, food donation camps, community awareness camps, etc.
- Civic responsibility is encouraged through activities like tour programs, community living, SUPW activities, Campus cleaning, etc.
- The all-round development is encouraged through curricular and co-curricular activities of the institution.
- Physical activities are maintained through Yoga practices and sports activities.
- Students participate in community surveys for doing their projects.
- The technology power is enhanced through hands-on training workshops.
- PMC classes are organized by the Department of Minority Welfare for giving premarital counseling.
- An Internship program of about four months equips them with the realities of the profession.
- All creative talents are exposed through different activities of the institution.
- All student performances are assessed by teacher mentors.

2.7.3 - The progressive performance of students and attainment of professional and personal attributes in line with the PLOs and CLOs is monitored and used for further improvements

The progressive performance of students' attainment of professional and personal attributes is in line with the PLOs and CLOs and is monitored and used for further improvements. The following measures are taken for this.

- Each semester the PLOs and CLOs are made clear to the students by the Vice Principal in the general meeting.
- The performance is assessed through internal evaluation (practicum works and practical works)
- Semester 1 is concentrating on general awareness of the course as well as technology. Students carry out project work and community-related work using technology-supported aids.
- Creativity and citizenship is fostered through field trip, Swach Bharath Abhiyan (Campus cleaning), etc.
- The institution tries to nurture culturally and morally upright teachers for society.
- Fifty percent of the students are hostel inmates or paying

guests in the nearby locality.

- Students are given motivational classes for the profession by experts in the field.
- Students themselves organize programs in almost all programmes in the college.
- The PG students are exposed to research and extension in the University as well as other Universities of the state.

2.7.5 - Performance of students on various assessment tasks reflects how far their initially identified learning needs are catered to. Describe with examples the extent to which the assessment task and the performance of students reflect their initially identified learning needs in not more than 100 -200 words.

The UG and PG students are given CLOs and PLOs at the beginning of the course. The concerned facilitator keeps track of entire activities related to the core paper. The learning needs are identified during the academic activities. Care is taken to reduce risk in the academic realm. Mentors keep a friendly attitude

toward the teacher trainees and provide all types of help internally and externally. The overall assessment is done by the group of teachers including the Principal. The assessment in multiple tasks including both curricular and co-curricular activities is done. Transparency is the main motto of the institution related to assessment. This is supported by the grievance redressal mechanism. Open expressions related to grievances are encouraged by the faculty. The students complete all semesters with at least an 80% score in each semester. The institution gets rank and high results in the University examinations. The placement in career and studies also support the evidence.

INFRASTRUCTURE AND LEARNING RESOURCES**4.1 - Physical Facilities**

4.1.1 - The institution has adequate facilities for Teaching- Learning. viz., classrooms, laboratories, sports field, fitness center, equipment, computing facilities, sports complex, etc. for the various programme offered Describe the adequacy of facilities for Teaching –Learning as per the minimum specified requirement by statutory bodies in not more than 100 - 200 words

There are LCD projectors in the common classrooms. There is plenty natural light and space in the classrooms. There are enough chairs in each classroom, and there are cupboards, or almirahs, to hold teaching supplies. M.Ed. classrooms have individual tables and chairs. The college has well-equipped resource centers for science and math, psychology, ICT, arts and crafts, health and physical education, and library services (see Resources). The ICT Resource Center houses fifteen of the college's twenty-five computers. Faculty and students can use the Internet for free. It encourages students to use multimedia to produce and share knowledge, such as downloading, uploading, blogging, and web browsing. The total area of the college is 3040 square meters. The multipurpose room of the college serves as a venue for numerous extracurricular and academic events. The facility features a basketball court, jogging track, and separate sports room for after-school activities. It is a well-designed play space. For the benefit of its students, the college has a dining hall and dorm. In addition, it provides extracurricular amenities such a sports facility, magazine, and daily newspaper. Sufficient effort is put into keeping the campus tidy and beautiful.

4.2 - Library as a Learning Resource

4.2.1 - Institution has adopted automation of library using Integrated Library Management System (ILMS) or any other software Describe the features of Library Automation in not more than 100 – 200 words.

The library serves the needs of every teachers and student. We utilize the AES(Software) from TOPScore PVT Ltd,. The College uses this program for inventory control, book transactions like issuance, biometric card issuance, and barcoding for books, returns, reservations, renewals, and so forth. This automation tool makes it very easy for the user to recognize books. Library users can search via the digitized bibliographic details of books, theses, bound volumes, reference books, journals, etc. The library has a number of reading areas. Every journal, magazine, newspaper, college magazine, student manuscript magazine, and so on is on display at the counter. There is a Notice Board outside the Library and another one inside the Reading Room for the easy posting of important information. First, they take part in a program called user orientation. The Library supports the academics and research researchers of the College by providing

need-based library services. The Library maintains a clipping file including copies of items that are retrieved from the Internet in addition to articles from newspapers and publications that are geared toward study and teaching. The library advisory group regularly reviews the requirements for modernizing the library and information system.

4.2.2 - Institution has remote access to library resources which students and teachers use frequently Give details of Gateway for remote access to library resources used by teachers and students in not more than 100 - 200 words

The TOPScoreLibrary AESsoftware, which updates all of the current book collections, has fully automated the library. This software is used in the college for stock verification, book transactions (such as issuance, return, reservation, and renewal), barcodes for books, and biometric cards for students. The user finds this automation software to be very helpful in identifying books. Bar codes and spine labels can be scanned with a barcode scanner. Students participate in an initial User Orientation Program. The general layout and regulations of the library, its various parts, its classification system, its services, its circulation system, its reference books, journals, NCERT publications related to its main areas, and the findings of its educational commission are all explained to students. Additionally, reading habits, the value of reading, and how to take care of library books are all covered in the instruction. Research Scholars from several universities and M.Ed. students sharing resources. The library is a reference resource used by students from many colleges. With approval from the principal, former students pursuing further education at other universities are also granted access to library materials for reference. On request, the faculty and students of surrounding universities and schools also access the library's resources.

4.3 - ICT Infrastructure

4.3.1 - Institution updates its ICT facilities including Wi-Fi Describe ICT facilities including Wi-Fi with date and nature of updation in not more than 100 - 200 words

PCs and their peripherals receive the required hardware and software maintenance. To teach their subjects in schools, students need to produce a digital lesson plan and a power point presentation. Students are encouraged to use PowerPoint when giving their seminars, both inside and outside of the college. Instruction in MS Office tools and software is given to

the pupils. Students can use the internet in the library and computer lab. The use of LCD, and PC is demonstrated to students prior to teaching practice. They produce PowerPoint presentations for their internship. They can be utilized to the fullest extent possible if the institutions give them the opportunity. The computer lab and internet access are available for use by all staff members and students. The institution's faculty and students have access to Wi-Fi as well. The institution provides 100 mbps internet connection, 100 per cent free WiFi connection for all students and faculty members.

4.4.2 - Systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. are in place Describe policy details of systems and procedures for maintaining and utilizing physical, academic and support facilities in not more than 100 - 200 words

By implementing suitable regulations and procedures for using the college's infrastructure facilities, the quality of the teaching-

learning process is preserved. For the teaching-learning process, the college's infrastructure facilities and other learning tools are used to great effect. Sufficient infrastructure is provided by the college to meet the requirements of instructors, staff, and students, including printers and LCD projectors, the college boasts a clean computer lab and wi-fi. To post their electronic contents, students update both personal and subject blogs. The library serves the academic needs of the college's research scholars, students, and faculty by offering a variety of information resources, including books, journals, magazines, CDs, proceedings, reference books, project reports, and theses. The library features a well-curated collection of M.Ed. student theses, teacher publications, digital books, digital magazines, subscription and open-access e-journals, teacher collections, commission reports, B.Ed. and M.Ed. question papers, seminar proceedings, etc.

Facilities for Laboratories: The college's staff and students have made the best use of its well-maintained labs, including the science, computer, technology, and psychology labs. The college's physical education and health department is actively involved and encourages students to take part in a variety of activities.

5.3 - Student Participation and Activities

5.3.1 - Student council is active and plays a proactive role in the institutional functioning Describe the ways in which student council plays a proactive role in the institutional functioning and contribute for students welfare in not more than 100 - 200 words

The Student Council in the institution serves as a crucial platform for nurturing talents beyond the classroom. By incorporating representations from both students and faculty, it ensures a holistic approach to fostering talent and facilitating various initiatives such as .

- **Initiative Coordination:** The Student Council takes the lead in organizing and coordinating a wide range of activities aimed at nurturing talents. These initiatives include cultural events, academic competitions, skill development workshops, community service projects, and more. By offering diverse opportunities, the Student Council caters to the varied interests and talents of the student body.
- **Open Communication Channels:** The Student Council establishes open communication channels between students, faculty, and administration. This allows for constructive feedback, suggestions, and concerns to be voiced and addressed effectively. Through regular meetings, forums, and feedback mechanisms, the Student Council ensures that the needs and aspirations of the student community are heard and taken into account in decision-making processes.

The Student Council serves as a catalyst for nurturing talents beyond the classroom by coordinating initiatives, facilitating open communication, empowering students, and enhancing campus life. Through collaborative efforts between students, faculty, and administration, the Student Council contributes to the holistic development and success of the institution.

5.4 - Alumni Engagement

5.4.1 - Alumni Association/Chapter (registered / non-registered but functional) contributes significantly for the development of the institution Describe the role of alumni association in the development of institution in not more than 100 - 200 words highlighting two significant contributions in any functional aspects

Alumni who have achieved success in their respective fields offer guidance, opportunities, and professional connections to current students and recent graduates. This network enables students to explore career paths, gain practical insights, and secure employment opportunities. The association contributes to the employability and success of students while strengthening the institution's reputation and alumni engagement.

1. Expertise and Knowledge Sharing: Former students, especially those who have excelled in their respective fields, possess

valuable expertise and insights. By inviting them as resource persons, the institution leverages their knowledge through workshops, seminars, and guest lectures.

2. **Mentorship and Guidance:** Alumni who have successfully navigated their careers serve as mentors to current students. As resource persons, they offer guidance, advice, and support in academic and professional development.
3. **Community Engagement:** NOSA serves as a bridge between the institution and the wider community. By involving former students in seminars and community-linked programs, the institution fosters stronger connections with local stakeholders, businesses, and organizations. This engagement not only benefits the community but also enhances the institution's reputation and relevance.

By recognizing former students as resource persons, the institution not only acknowledges their contributions but also creates avenues for ongoing collaboration, learning, and growth within its community.

5.4.4 - Alumni Association acts as an effective support system to the institution in motivating students as well as recognizing, nurturing and furthering any special talent/s in them. Describe the mechanism through which Alumni Association acts as an effective support system to the institution in motivating, nurturing special talent in not more than 100 - 200 words

The Alumni Association NOSA serves as a vital link between the institution and its former students, providing a platform for ongoing engagement and support. Through regular communication channels such as , social media, and alumni events, the association keeps in touch with graduates This connection facilitates mentorship opportunities where alumni can offer guidance, , and support to current students, motivating them to excel academically and professionally.

Feedback and Improvement: Regular communication allows alumni to provide feedback on their experiences at the institution and offer

suggestions for improvement. This constructive input helps the institution identify areas of strength and areas for enhancement, ultimately contributing to its ongoing development and success.

Moreover, the Alumni Association actively identifies and nurtures special talents among students by organizing workshops, seminars, and networking events that cater to their interests and career aspirations. Alumni volunteers may offer expertise, resources, and even financial support to help students explore their passions and develop their skills. Promoting diverse experiences and successes of its alumni network, the association inspires and empowers students to reach their full potential, creating a symbiotic relationship that benefits both the institution and its future graduates. Regular communication is fostered for professional growth, reflection, and development for all stakeholders involved.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership and participatory mechanism in tune with the vision and mission. Describe the vision and mission statement of the institution on the nature of governance, perspective plans and participation of the teachers, students and non-teaching staffs in its decision making bodies of the institution in not more than 100 - 200 words.

The governance of the institution is reflective of an effective leadership and participatory mechanism in tune with the vision and mission. The endeavor is to equip students with thought, action, and experience to face life with a smile by making a character, harmoniously developed personality, and a complete man. The AIMNET foundation has been established with the noble objective of providing quality education and training to vast sections of society who are deprived of such opportunities due to a lack of resources. This has been one of the reasons the foundation chose to move to a rural setting rather than urban centers where such facilities are selectively available. The foundation has, from the very beginning, placed an emphasis on delivering quality and hopes to be a center of excellence in the years to come. We hope the

foundation will provide an impetus to the thought process, attitude, and work culture and become an instrument of change that society badly needs.

Mission The institution stands for excellence, wisdom & commitment to society. The goals of the institution are to create a professionally responsible, culturally refined, emotionally balanced, intellectually competent, spiritually mature, physically sound, and vocationally creative teaching community.

6.1.2 - Institution practices decentralization and participative management Describe the process of decentralization and participative management practiced in the institution in not more than 100 - 200 words

The National College for Teacher Education is established and managed by the Allama Iqbal Memorial National Foundation for Education and Training (AIMNET). The College Administrative team comprises of Chairman, Manager, Principal, Administrative Officer, H.O.D M.Ed, Staff Secretary, and Superintendent. The Management follows the effective policy of participatory management and decentralization in academic and administrative matters. There are various committees headed by different teachers in the college for carrying out academic duties. The faculty and staff work together for the administrative aspects. The Principal is the head of all committees. The IQAC coordinates academic activities through noticed meetings and reports. The academic plans are taken in three meetings. The actions are taken unanimously and teachers and students work collaboratively and cooperatively to complete all plans. The office staff provides all support for completing the

tasks.

6.1.3 - The institution maintains transparency in its financial, academic, administrative and other functions Describe the efforts of the institution towards maintenance of transparency in its financial, academic, administrative and other functions in not more than 100 - 200 words.

The National College for Teacher Education maintains transparency in its financial, academic, and other functions. The maintenance of transparency is kept in the following ways.

Financial

The tuition fee is collected according to the University's rules and regulations.

The donations collected under Management seats are maintained through receipts.

The college provides salaries to the staff as per Government norms.

Financial expenses needed for various programs of the college are maintained in the college office.

The other activities such as gardening, maintaining the hostel, salary paid for the warden, etc are maintained in the expenditure register.

Academic

Various committees are headed by the Principal to organize and set plans for curricular and cocurricular aspects.

Regular feedback is collected from students and teachers regarding the effectiveness. All days are celebrated with students' participation and due consideration is given to their opinions.

The institution organizes PTA meetings and parental involvement related to attendance is mandatory.

Administrative:

The Administrator, Manager, and the Principal jointly take actions related to the selection of staff, expenditure details, etc.

Annual budgeting and maintenance of expenses are done by office staff, and the financial statements are audited by the Chairman.

6.3.5 - The institution has a performance appraisal system for teaching and non-teaching staff Describe the process of performance appraisal system for teaching and non-teaching staff in not more than 100 - 200 words.

The performance of teachers is systematically evaluated using feedback from groups of employers in the college.

There are various forms of feedback collection.

Self-assessment-. Feedback on teachers, courses, curriculum, institutional facilities, campus experience, non-teaching staff, etc, is collected at the end of every academic year. Each faculty is entrusted to prepare and submit a self-appraisal report before the commencement of the academic year. Feedback data is collected regarding the teaching-learning process, research activities, and services of the staff. The collected feedback is evaluated by the academic committee and measures are taken for improvement.

The Management closely monitors the performance of the staff members in curricular and co-curricular activities. Non-teaching staff are specially trained for office management. The Annual Confidential Report and the Performance Appraisal System has

significantly helped in the evaluation of the performance of the employee by motivating them, analyzing their strength and weaknesses, and ensuring better performance.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal or /and external financial audit regularly Describe the process of internal and external financial audits along with the mechanism for settling audit objections, if any, during the year in not more than 100 - 200 words

The institution has established a mechanism for conducting internal and external audits on financial transactions twice a year to ensure financial compliance.

The audit committee thoroughly verifies the income and expenditure details and the compliance report of the audit is submitted to the management of the institution through the Principal. Before the commencement of the annual year, the Principal submits a proposal for budget allocation.

The planning committee prepares the Annual Budget which is discussed and ratified by the Management Committee. The Administrative Officer and Office Superintendent manage financial matters and maintain accounts. To ensure transparency all payments are made through cheques. An internal audit is conducted by a body authorized by the Manager. There are external and internal audits. The accounts of the Institution are audited by Mr.M.A.Moideen and Associates.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources are in place. Describe the procedure of mobilization of funds and its optimal utilization in not more than 100 - 200 words.

National College for Teacher Education is a self-financing Teacher Education institution. The revenue is collected from course fees and financial support from the management. The source of income is legitimate and accounted. The institution follows a planned mechanism for mobilization of the funds and resources. The financial committee monitors the optimum utilization of funds for recurring and non-recurring expenses. The purchase committee seeks quotations from vendors for the purchase of equipment, computers, books, etc. The quotations are scrutinized by the financial committee and purchase committee and the decision is taken for pricing, quality, and, terms of service. The Accounts Department ensures that the expenditure lies within the allotted budget. Adequate funds are allocated for effective teaching-learning practices like orientation programmes, workshops,

interdisciplinary activities, and training programmes that ensures quality education.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Institution has a stated energy policy streamlining ways of energy conservation, use of alternate sources of energy for meeting its power requirements Describe the institution's energy policy streamlining ways of energy conservation, use of alternate sources of energy for meeting its power requirements in not more than 100 - 200 words.

National College for Teacher Education has a stated energy policy for energy conservation. The main source of electricity is from Kerala State Electricity Board. The institution uses a power backup facility in the office circle. There is a separate electricity connection for the college and hostel premises. The institution is using green energy and renewable energy for its functioning. All classrooms are equipped with an electricity supply and proper windows, doors, etc for lighting and ventilation. The bill for electricity is counted through meter readings in two monthly periods and the amount is paid through kseb online payment services. Apart from this during the celebration of events the institution hires generator services for providing power supply.

7.1.2 - Institution has a stated policy and procedure for implementation of waste management Give a brief note on the institution policy for waste management along with its implementation procedure in not more than 100 - 200 words.

The institution has a stated policy and procedure for the implementation of waste management. There are three types of waste management:

1. Wastewater management
2. Biowaste management
3. Paper waste management.
4. Plastic waste management.
5. Miscellaneous waste.

First, the wastewater is collected in the huge septic tanks on the premises of the college and the hostel.

The biowaste especially the food waste is collected by the cleaning staff after lunch and is decomposed into the biowaste plant.

The paper waste from the college premises and offices and classrooms is cleaned by the sweepers of the institution, removed into a big pit, and burned daily.

The plastic waste is collected and kept in sacs. Monthly the

collection agents of the locality collect plastic waste from the college.

Miscellaneous waste including wooden waste, broken furniture, etc is kept in the waste room near the teachers' staff room and is collected yearly by collection agents from the locality. Usually, yearly repairs of broken furniture are handled by the institution.

7.1.5 - Institution is committed to maintenance of cleanliness, sanitation, green cover and providing a pollution free healthy environment Describe the efforts of the institution towards maintenance of cleanliness, sanitation, green cover and providing a pollution free healthy environment in not more than 100 - 200 words

The institution is committed to the maintenance of cleanliness, sanitation, green cover, and a pollution-free healthy environment.

Cleanliness-For this purpose there are two staff in the college. They properly clean the college premises including Saturdays. The classrooms are cleaned once a week. There is a separate daily staff for cleaning the hostel premises.

Sanitation-The cleaning staff clean all the toilets of the college from 3.30 pm to 4.30 pm. They use Harpic and lotions for the purpose.

Green cover-The institution provides a green cover on the premises. There are separate staff with daily wages for maintaining green cover and organic farming. Annually nearly 50,000 rupees are spent for this purpose. The institution has a wide variety of medicinal plants and trees.

The pollution free environment-The institution is situated nearly 500m away from Meprathupady junction. The tobacco-free environment, the green cover, and proper waste management and sanitation provide a pollution-free environment conducive for academic and non academic aspects.

7.2 - Best Practices

7.2.1 - Describe at least two institutional best practices (as per NAAC format given on its website)
Describe any two best practices successfully implemented by the institution as per NAAC format

In the year 2022-23, the institution adopted a number of programs for its outreach activities. The three best practices were listed below.

1. Akattam Akalam-The antidrug campaign of the college was held on October 31, 2022. A rally was conducted from the College to Vengola junction accompanied by students, teachers, and nearly a hundred students from National School. Vengola Panchayath President inaugurated the function, Principal gave the felicitations. Students took oaths against drugs. A flash mob was organised by Meenakshi and the team regarding antidrugs.
2. Hrudayapoorvam Oru Kaithangu-On October 18, 2022 students collected petrichor (lunch boxes). Nearly 100 food packages were collected from the faculty and students and distributed to the needy of VQengola Panchayath and Perumbavoor bus stand. It was done as a part of SUPW service and students learned the moral obligation to help the needy. The principal inaugurated the function and nearly fifty students participated in the function.
3. Orientation for placement abroad- On 6th January 2023 the students were given an orientation for placement abroad.

Mr.Arun Gopinath gave a comprehensive picture of securing professional degrees, job opportunities, and ways and means of securing placement abroad for jobs and higher education. The students interacted well during the session.

7.3 - Institutional Distinctiveness

7.3.1 - Performance of the institution in one area of distinctiveness related to its vision, priority and thrust Describe the institutional performance in one area of distinctiveness related to its vision, priority and thrust in not more than 100 -200 words

The National College for Teacher Education has the vision of the Power of knowledge and fortitude of values. It highlights the importance of knowledge and values in students, teachers, and ultimately in our future generations. The teaching-learning practices of the institution are well-planned and structured to cater to the different IQ levels of students. The college provides training for inclusive education.

Students from nearly ten districts of Kerala enroll in the institution for UG, PG, and Dl. Ed courses. They live together and learn together and priority is given to cooperative and collaborative practices on teaching and learning. Community-related activities are given importance in all sectors of education.

The institution is located in the rural part of Ernakulam district. Even though food is provided by the local members yet a permanent canteen inside the hostel is a challenge for the inmates. Since it is in the valleys of dense forests the power failure during rainy seasons may lead to long time repairment is a thrust. As a self-financing college, the lack of an adequate number of permanent teachers is a thrust for teaching/learning activities.

The State Ministry of Minority Welfare provides counseling classes and competitive examination coaching classes to minorities.
