

IN HOUSE CURRICULUM PLANNING COMMITTEE

Objectives

In-house Curriculum Planning Committee is formed within the Institution with the college Principal, teaching faculty, representatives of practice teaching schools, employers, experts, alumni and students as its members. The following objectives were listed in In-house Curriculum Planning Committee:

- ❖ To coordinate the process of curricular transaction through collaborative work of stakeholders.
- ❖ To recapture teacher education curriculum of B.Ed. and M.Ed. levels through collaborative discussions, planning, improvised innovation among stakeholders.
- ❖ To schedule meetings to plan, execute, evaluate curricular and co-curricular activities in accordance with semester-wise activities with special reference to society's needs, the vision and mission of the institution.
- ❖ To develop a structured and effective plan for effective teaching-learning process that meets learning outcomes of B.Ed., M.Ed. course.
- ❖ To meet the goals and objectives of institution in accordance with local context.

Periodicity

The inhouse planning Committee meets thrice in a year, one in the beginning of the academic year, another at the middle of the semester/during commencement of new batch and at the end of every academic year.

The committee allocate smooth functioning of activities with suitable planning and guidance. In emergency situations committee hold online meetings for activities like planning, implementation, evaluation and feedback, result analysis, charting programmes for semester wise activities for smooth functioning.

List of persons involved

- ❖ Principal
- ❖ Faculty representatives
- ❖ Representatives from practice teaching schools
- ❖ Employer
- ❖ Subject experts
- ❖ Students
- ❖ Alumni

Communication of discussions

The decisions of the committee are communicated to all the members: Principal, members of the faculty, schools including practice teaching schools, management and other stakeholders. The meetings are convened periodically through online or offline modes.
