DIKSHA-REPORT ON FACULTY DEVELOPMENT PROGRAMME ON ORIENTATION FOR FRESH TEACHERS

The report of the orientation program for fresh teachers held on August 02, 2023, at the Principal's Room, National College for Teacher Education.

The orientation program was conducted by Dr. N. Sethumadhavan, Principal of the National College for Teacher Education. The program was attended by eight teachers. Dr. N. Sethumadhavan welcomed the participants and gave an overview of the college and its expectations from the teachers. He also spoke about the importance of being a good teacher and the qualities that a good teacher should possess.

The participants found the orientation program to be informative and helpful. They felt that the program had given them a good understanding of the college and its expectations. They also felt that the program had helped them to prepare for their new roles as teachers.

Overall, the orientation program was a success. It was well-organized and informative. The participants found it to be helpful and beneficial.

DIKSHA-REPORT ON FACULTY DEVELOPMENT PROGRAMME ON RESEARCH METHODS

Date: 07-10-2023

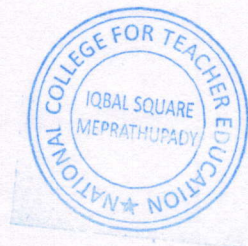

Time-11 am

Participants: 08

Resource Person: Dr. Rajeswari.K V (Faculty, National College for Teacher Education)

Venue: Seminar Hall

An orientation session on research methods was conducted on October 7, 2022, with the participation of eight faculties. Dr. Rajeswari K V, a faculty member from the National College for Teacher Education, served as the resource person. The session provided a comprehensive overview of research methodologies, covering various aspects such as research design, data collection techniques, and data analysis. The participants were actively engaged and benefited from the expert guidance offered by Dr. Rajeswari. The session concluded with a fruitful discussion, clarifying any doubts and reinforcing the key concepts presented.

DIKSHA-REPORT ON FACULTY DEVELOPMENT PROGRAMME ON GAMIFICATION IN LEARNING SCIENCE

The resource person, Ms. Sreeja V, from the National College for Teacher Education, conducted an orientation on gamification in learning science on October 17, 2023. The seminar was held in the seminar hall and was attended by seven participants.

Ms. Sreeja began the orientation by defining gamification and explaining its benefits in the learning process. She highlighted how gamification can increase student engagement, motivation, and creativity. The resource person then discussed various gamification strategies and techniques that can be used in science education. She also shared examples of successful gamification implementations in classrooms.

The participants actively engaged with Ms. Sreeja's presentation, asking questions and sharing their experiences. The orientation concluded with a discussion on the potential challenges and opportunities of gamification in science teaching. Overall, the seminar was informative and provided valuable insights into the use of gamification in enhancing science learning.

DIKSHA-REPORT ON FACULTY DEVELOPMENT PROGRAMME: MY EXPERIENCE AS A TEACHER

A faculty development program was conducted on September 5, 2023, at the National College for Teacher Education. The program featured Dr. M.N. Krishnan Kutty Nambeesan, a former principal of the college, as the key speaker. The topic of the session was "My Experience as a Teacher."

The program was attended by nine faculty members from the college. The session began at 11 AM in the seminar hall. Dr. Nambeesan shared his valuable insights and experiences from his long and distinguished career in education. He discussed various aspects of teaching, including classroom management, student engagement, and effective assessment strategies. The speaker's anecdotes and practical advice resonated with the audience.

The participants found the program to be informative and inspiring. They appreciated the opportunity to learn from a seasoned educator and gain new perspectives on the teaching profession. Overall, the faculty development program was a success in providing valuable professional development to the participants.

Faculty Development Program on NEP 2020

Date: August 23, 2023 Time: 11 AM Venue: Seminar Hall, National College for Teacher Education

Resource Person: Dr. Vijayan K.

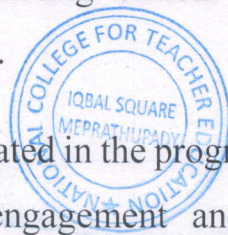

Participants: 09 teachers

Report:

A faculty development program on the National Education Policy (NEP) 2020 was successfully conducted on August 23, 2023, at the National College for Teacher Education. The program aimed to familiarize teachers with the key principles and objectives of the NEP 2020 and its implications for classroom practice.

Dr. Vijayan K., an esteemed expert in the field of education, served as the resource person for the program. His insightful presentation provided a comprehensive overview of the NEP 2020, highlighting its focus on holistic development, multidisciplinary learning, and experiential education. The session also delved into the curricular and pedagogical reforms proposed by the policy, emphasizing the importance of promoting critical thinking, creativity, and problem-solving skills among students.

Nine teachers from the college participated in the program. The interactive nature of the session encouraged active engagement and discussion among the

Resource Person: Dr. N.K. Arjunan

Participants: 15

A faculty development program was conducted on 8th September 2023 at the National College for Teacher Education with the aim of guiding faculty members in the process of drafting research papers with a distinct imprint. Dr. N.K. Arjunan, a renowned expert in the field, served as the resource person for the program.

Fifteen faculty members participated in the session, which provided valuable insights into the essential components of a research paper. Dr. Arjunan emphasized the significance of choosing a compelling research question, conducting thorough literature reviews, and developing a well-structured methodology. He also discussed the importance of effective data analysis and interpretation, as well as presenting findings in a clear and concise manner.

The participants found the session to be highly informative and beneficial. They expressed gratitude for the opportunity to learn from a seasoned researcher and gain practical tips for improving their research writing skills. The program

the potential benefits of ITEP, including improved teacher competence, enhanced student learning outcomes, and stronger school-community partnerships.

However, Dr. Shakila T Shamsu also addressed the challenges that may arise during the implementation of ITEP. These challenges included inadequate infrastructure, lack of resources, and resistance to change. She emphasized the importance of

addressing these challenges through effective planning, collaboration, and professional development.

The participants actively engaged with the resource person, asking questions and sharing their experiences. The discussion highlighted the need for ongoing support and mentorship for faculty members involved in ITEP implementation.

In conclusion, the Faculty Development Program provided a valuable opportunity for faculty members to gain a deeper understanding of ITEP and its implications for teacher education. The program contributed to building capacity and fostering a positive attitude towards the implementation of this innovative approach to teacher training.

DIKSHA-REPORT ON FACULTY DEVELOPMENT PROGRAMME

Topic: SPSS Package

Facilitator: Dr. N.K. Arjunan

Date: 17 November 2023 Time: 11 AM

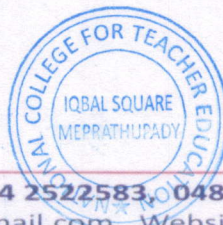

Venue: Seminar Hall, National College for Teacher Education .

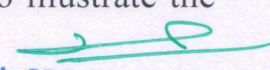

The Faculty Development Program (FDP) on SPSS Package was a valuable learning experience for the participants. Dr. N.K. Arjunan, a renowned expert in the field,

provided a comprehensive overview of the software's capabilities and applications.

The session began with a brief introduction to SPSS and its significance in data analysis. Dr. Arjunan highlighted the software's user-friendly interface and its ability to handle large datasets efficiently. He then proceeded to demonstrate various statistical techniques, including descriptive statistics, correlation analysis, regression analysis, and hypothesis testing.

The participants actively engaged with the facilitator, asking questions and seeking clarification on specific topics. Dr. Arjunan patiently addressed their queries, providing practical examples and real-world scenarios to illustrate the concepts.

National College for Teacher Education, facilitated the session for five participants.

Content:

- The session began with an introduction to the core principles of Constructivism, highlighting how learners actively construct their own knowledge through experiences and interactions.
- She explored the role of the teacher in a constructivist classroom, emphasizing a shift from traditional knowledge transmission to facilitating active learning.
- Interactive activities and discussions encouraged participants to explore various constructivist teaching strategies such as project-based learning, problem-solving activities, and collaborative learning tasks.
- The session also addressed the importance of assessment in a constructivist setting, focusing on methods that evaluate a student's understanding and application of knowledge.

Outcomes:

- Participants gained a deeper understanding of the theoretical underpinnings of Constructivism.
- They actively engaged in discussions and explored practical strategies for implementing constructivism in their classrooms.
- The session provided an opportunity for faculty to share their experiences and collaborate on developing effective constructivist approaches.

teachers. The session was led by Dr. N Sethumadhavan, the esteemed Principal of National College.

The program began with a brief introduction to the objectives of the session, highlighting the importance of continuous professional development for teachers. Dr. Sethumadhavan then delved into the key aspects of effective teaching, emphasizing the significance of student-centered learning, classroom management, and innovative pedagogical approaches.

Participants actively engaged with the resource person through interactive discussions and question-and-answer sessions. They shared their experiences and challenges in the classroom, seeking guidance and insights from Dr. Sethumadhavan. The resource person provided valuable advice and strategies to address common issues faced by teachers.

The program concluded with a summary of the key takeaways and a call to action for participants to implement the learned concepts in their teaching practices. Overall, the online faculty development programme was a valuable learning experience, equipping teachers with the necessary tools and knowledge to enhance their teaching effectiveness and contribute to the growth of their students.

DIKSHA-REPORT ON ONLINE CLASS: TEACHING AIDS

PREPARATION

Date: 18th October 2021

Resource Person: Dr. Viji Ramakrishnan

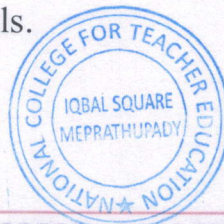

Participants: 6

Venue : National College for Teacher Education

An online class on "Teaching Aids Preparation" was conducted on 18th October 2021 by the National College for Teacher Education. The session was led by Dr. Viji Ramakrishnan, a well-known expert in the field of educational methodologies.

The class aimed at equipping participants with the skills and knowledge required to create effective teaching aids, which are essential tools for enhancing the learning experience in classrooms. Six participants, all of whom are pursuing teacher education, attended the session.

Dr. Viji Ramakrishnan began by introducing the importance of teaching aids in facilitating better understanding and retention of information among students. She provided detailed insights into different types of teaching aids, including visual, auditory, and kinesthetic materials, and demonstrated how to prepare these aids using simple, cost-effective materials.

The interactive session allowed participants to ask questions and engage in discussions, which enriched their learning experience. The class concluded with practical tips on how to integrate these aids into everyday teaching practices.

Overall, the online class was informative and well-received, leaving the participants more confident in their ability to design and utilize teaching aids effectively'

DIKSHA-REPORT ON FACULTY DEVELOPMENT PROGRAM:

WEBINAR ON RESEARCH DESIGNS

On 5th March 2022, Dr. Rajeshwari K.V., a distinguished faculty member of National College, conducted a workshop on research designs at the National College for Teacher Education. The workshop, which saw the participation of 10 attendees, primarily focused on equipping teacher education students with essential knowledge and skills related to research methodology.

Dr. Rajeshwari covered various research designs, including qualitative, quantitative, and mixed methods. The session was interactive, allowing participants to engage in discussions and clarify their doubts. The small group size enabled personalized attention, ensuring that each participant could fully grasp the complex concepts discussed.

Overall, the workshop was a success, providing valuable insights and practical knowledge that will undoubtedly aid the participants in their future academic and

Diksha 2022
FDP Series 05

NATIONAL
College for Teacher Education

On 18th March 2022, a Faculty Development Program (FDP) on the topic "Cognitive Neuropsychology" was held at the National College for Teacher Education. The program was led by the esteemed resource person, Dr. N.Sethumadhavan,(principal).The seminar took place in the college's seminar hall and was attended by 12 faculty members.

The FDP aimed to enhance the understanding of cognitive neuropsychology among the teaching faculty, focusing on the intersection of cognitive processes and brain function. Dr. Sethumadhavan delivered an in-depth lecture on key topics such as memory, attention, perception, and the neurological basis of learning. He also discussed recent advancements in neuropsychology and their implications for teaching and educational practices.

Participants were actively engaged throughout the session, which included interactive discussions and case studies that demonstrated the application of cognitive neuropsychology in educational settings. Dr. Sethumadhavan's

expertise and approachable teaching style allowed for a comprehensive understanding of the subject, even for those new to the field.

The program concluded with a Q&A session, where participants had the opportunity to clarify doubts and explore further the practical applications of cognitive neuropsychology in their teaching methodologies. The FDP was highly successful in broadening the faculty's knowledge base and providing them with tools to integrate cognitive neuropsychological principles into their teaching practices.

DIKSHA-REPORT ON FACULTY DEVELOPMENT PROGRAM: YOGA FOR WELLNESS

NATIONAL
College for Teacher Education

YOGA FOR WELLNESS

FDP 2022 | Diksha 06

Date: 28 March 2022

Class led by:
Dr N Mohan

On 28th March 2022, a Faculty Development Program (FDP) on "Yoga for Wellness" was conducted at the National College for Teacher Education. Dr. N. Mohan, a renowned expert in yoga and wellness, served as the resource person for the event. The program was attended by 12 faculty members, all eager to explore the benefits of yoga in promoting physical and mental well-being.

being.

Dr. Mohan introduced the participants to various yoga practices, emphasizing the importance of integrating yoga into daily routines to enhance overall wellness. The session included demonstrations of basic yoga postures, breathing exercises, and meditation techniques aimed at reducing stress and improving concentration.

Participants actively engaged in the practical exercises, with Dr. Mohan providing personalized guidance to ensure proper technique. The session also covered the theoretical aspects of yoga, including its origins, philosophy, and the science behind its benefits.

The FDP was well-received, with participants expressing a renewed interest in incorporating yoga into their personal and professional lives. The program successfully highlighted the significance of yoga in maintaining a balanced and healthy lifestyle, making it a valuable addition to the faculty's development initiatives.

DIKSHA-REPORT ON ONLINE ORIENTATION FOR TEACHERS

On 1st June 2020, an online orientation for the Faculty Development Program (FDP) was conducted under the guidance of Dr. N. Sethumadhavan, Principal of National College for Teacher Education. The session aimed at

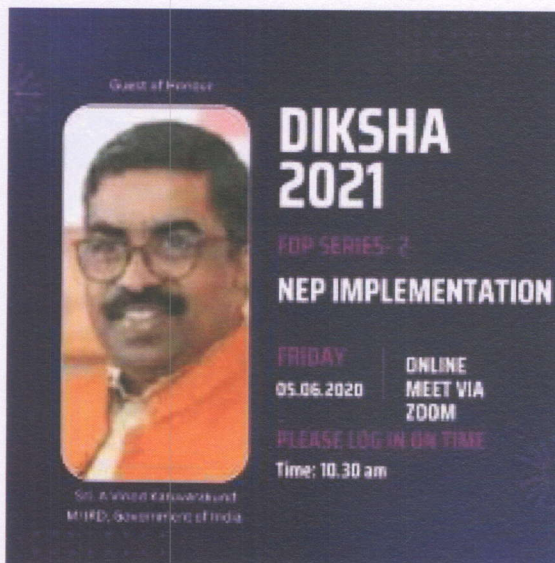

National College for Teacher Education

(NAAC Accredited with 'B' Grade)

Iqbal Square, Meprathupady, Vengola, Perumbavoor, Ernakulam - 683 556

enhancing teaching methodologies and professional skills. Despite the limited number of participants, with only six teachers attending, the orientation was highly interactive and provided valuable insights. Dr. Madhavan emphasized the importance of continuous learning and adapting to new educational challenges. The participants appreciated the program's relevance and expressed eagerness to implement the learned strategies in their teaching practices.

DIKSHA-REPORT ON ONLINE ORIENTATION FOR TEACHERS

On June 5, 2020, an Online Faculty Development Program (FDP) was conducted on the topic of NEP (National Education Policy) Implementation. The session was led by resource person Vinod Karuvarakund and was attended by participants from National College for Teacher Education. The program aimed to provide insights into the

practical aspects of implementing NEP guidelines within educational institutions. The interactive session facilitated a comprehensive understanding of the policy's objectives and strategies for effective integration into teaching practices. The event successfully engaged the participants in discussions on enhancing educational standards in line with NEP requirements.

DIKSHA-REPORT ON ONLINE FACULTY DEVELOPMENT PROGRAMME

On June 16, 2020, an orientation session for online classes using Google Meet was conducted by resource person Neena Thankappan in National College for Teacher Education. The session, attended by 8 participants, focused on leveraging Google Meet for effective virtual teaching. Neena Thankappan demonstrated key features of the platform, including creating meetings, managing participants, and utilizing interactive tools. The orientation aimed to enhance participants' proficiency in conducting online classes, ensuring a smooth transition to virtual learning environments. The practical insights and hands-on approach provided by Neena Thankappan were well-received, equipping the attendees with valuable skills for remote education.

DIKSHA-REPORT ON ONLINE FACULTY DEVELOPMENT PROGRAMME

On July 23, 2020, Subha R Kurup conducted a Faculty Development Program (FDP) on "How to Manage Google Classrooms" at a college for teacher education. The session, attended by 10 participants, focused on effective strategies for utilizing Google Classrooms to enhance teaching and learning experiences. Subha provided hands-on training on setting up classrooms, organizing resources, and engaging students. The program aimed to equip educators with practical skills to manage digital classrooms efficiently, fostering a more interactive and organized learning environment. Feedback from
