National College for Teacher Education has adopted the following Waste Management procedures in the years (2019-2024).

I. Waste Avoidance

- Circulars have been issued to reduce waste
- Efforts were made to minimize food waste in the college hostel by emphasizing its importance on various occasions.
- Paper waste generation was restricted by using technology for communication whenever possible.
- One-sided waste papers were reused in the office and library for rough copy prints.
- Students and teachers encouraged to use steel lunch boxes and natural packing materials
- Partnerships are made with local recycling companies to ensure proper recycling of collected materials.

II. Waste Management

- Formulated a stated Waste management Policy which is implemented in the institution.
- Separate bins are placed to segregate food waste and dry waste
- A biogas plant is installed on the hostel campus for the decomposition of biowaste
- Installed composting pits and pipe composting system for organic waste.
- Waste burning pit installed for the burning of paper waste
- Sanitary napkin incinerators are installed for environmentally appropriate disposal.
- Water usage is minimized by installing water-saving sprinklers on all campus pipes.
- Water Purifier is installed in the campus and hostel for drinking water purpose
- E-Waste generated in the campus is collected and periodically disposed of scientifically
- NCFTE is also supported by Harita Karma Sena of Vengola Grama Panchayat in disposing its dry waste

WASTE MANAGEMENT POLICY

National College for Teacher Education is not only a place of academic learning but also a hub for developing environmentally conscious citizens. This policy aims to instill a strong sense of environmental responsibility among future educators while simultaneously creating a sustainable campus.

Policy Title: "Educating for a Greener Tomorrow: A Holistic Waste Management Policy"

Policy Objectives:

- Reduce waste generation in campus.
- Maximize recycling, upcycling and composting efforts.
- Create a learning environment that promotes environmental education.
- Involve the entire community in waste management initiatives.

Key Policy Components:

Curriculum Integration:

- Mandatory inclusion of environmental education and waste management topics in teacher education programs.
- Development of curriculum modules focused on waste reduction, recycling, composting, and environmental awareness.
- Practical training on waste management through community projects and internships.

Waste Reduction and Reuse:

- Implementation of No Single-Use Plastic policy on campus.
- Encouragement of refillable water bottles and reusable containers.
- Establishment of a campus repair and reuse centre for electronic and other items.
- Digitalization of administrative processes to reduce paper consumption.
- Develop guidelines for organizing sustainable events on campus, ensuring minimal waste generation and proper waste management.
- Observe every Wednesday as zero waste day. The fine charged for wasted food is used for charity.

Comprehensive Waste Segregation:

- Installation of clearly labeled waste bins for different waste categories (Food Waste, Plastic & Paper Waste).
- Regular training for staff and students on proper waste segregation.
- Reward system for departments and individuals with exemplary waste management practices.

Composting

- Establishment of on-campus composting units.
- Utilization of compost for campus greenery and educational purposes.

Community Engagement:

- Collaboration with local communities on waste management initiatives.
- Organization of awareness campaigns and workshops for the community.
- Commemorate environment related days.

Research and Innovation:

- Support for research projects on waste management and environmental sustainability.
- Encouragement of innovative waste management solutions.
- Collaboration with external experts and institutions.

Implementation and Evaluation:

- Formation of a dedicated Sustainability committee.
- Regular monitoring and evaluation of policy implementation.

National College for Teacher Education's Waste Management policy will be communicated to the students and employees via internal communication channels, and will be made available to all the stakeholders on the institutional website. The Waste Management Policy, objectives and targets is reviewed on a regular basis and necessary follow up measures are undertaken.

WASTE MANAGEMENT- NEW WAYS

National College for Teacher Education conducted an awareness talk on "Waste Management- New Ways" on 5th March, 2024 at 10AM in College Auditorium with the aim of enlightening participants about innovative and sustainable waste management practices. The event was organized by IQAC in collaboration with Sastra Sahithya Parishad and NSS Unit No: 267.

Objectives

- To create awareness about the critical issue of waste management and its impact on the environment.
- To introduce innovative waste management techniques and technologies.
- To inspire participants to adopt sustainable waste management practices in their daily lives.

Target Audience

The talk was primarily aimed at students, faculty, staff and Haritha Karma Sena of Vengola Grama Panchayat.

Speakers

Sri. Thankachan P. A, Executive Director, Science Centre

Sri. Suresh A. A, Assistant Director, Science Centre

Key Takeaways from the Talk

- **Waste Management Challenges:** The speaker highlighted the increasing challenges posed by waste generation and the urgent need for effective waste management solutions.
- **Innovative Waste Management Techniques:** The talk introduced various innovative methods such as waste-to-energy conversion, waste-to-compost, and advanced recycling technologies.
- **Circular Economy Concept:** The importance of adopting a circular economy model was emphasized, focusing on reducing, reusing, and recycling waste.
- **Individual Responsibility:** Participants were encouraged to play their part in waste management by adopting sustainable habits like reducing consumption, proper waste segregation, and composting.

Greening Our Community: Initiatives for a Healthier Environment

The Greening our community: Initiatives for a Healthier Environment awareness class was conducted by National College of Teacher Education on 06-07-2023 at 2.30 PM in Seminar Hall with the aim of fostering environmental consciousness among the community. The class sought to equip participants with knowledge and practical skills to contribute to a sustainable future.

Objectives

The primary objectives of the class were to:

- Enhance understanding of environmental challenges faced by the community.
- Promote the adoption of eco-friendly practices in daily life.
- Inspire community members to participate in green initiatives.
- Build a network of environmentally conscious individuals.

Key Topics Covered

The class delved into the following key areas:

- **Local Environmental Issues:** A comprehensive overview of the environmental challenges faced by the community, including **waste management**, pollution, and resource depletion.
- **The Importance of Green Living:** The interconnectedness of human health and environmental well-being was emphasized.
- **Practical Eco-Friendly Tips:** Participants were provided with actionable steps for reducing their ecological footprint.
- **Community-Driven Initiatives:** Successful case studies of community-based environmental projects were shared.

Class Methodology

To ensure maximum engagement, the class adopted a participatory approach:

- **Interactive Presentations:** Use of multimedia to enhance understanding of complex environmental concepts.
- **Group Discussions:** Facilitated open dialogue on local environmental concerns and solutions.
